Dear Brenda Dawson,

Objection 1

- Schedule of Benefits, AMLI GRP LM 2.0 SCHED GA (Form)

Comment:

Under the Schedule of Benefits and benefits paid for Newborn Hospital Care, the schedule states that....[1 – 4] days of hospital care per Certificate Year, per newborn child.

ACA 23-79-129 states that coverage is for five (5) full days in a hospital nursery or until the mother is discharged from the hospital following the birth of the child, whichever is the lesser period of time.

A.C.A. 23-79-109(1)-(5) sets forth the procedure by which filings may be deemed approved upon the expiration of certain time periods with no affirmative action by the commissioner. If the commissioner determines that additional information is needed to make a decision regarding approval, such request for information will be made to the company. The filing will not be considered complete until said additional information is received. The time periods set forth in this statute will not begin to run until the filing is complete.

Please feel free to contact me if you have questions.

Sincerely,

Rosalind Minor

Dear Rosalind Minor,

Comments:

Thank you for your letter.

Response 1

Comments: Please find attached the revised schedule of benefits. I revised the form number and under the Newborn Child Hospital Care Benefit, change the Maximum Benefit to read: "5 full days in a hospital nursery or until the mother is discharged from the hospital following the birth of the child, whichever is the lesser period of time per Certificate Year, per newborn child"

Objection 1

- Group Certificate, AMLI GRP LM 2.0 CERT GA (Form)

Comment:

Your response to my objection letter stated that since the group policy was issued to an Association Group located in Georgia, the mandated benefits listed in the Group Certificate were required. In order to avoid confusing the Arkansas certificate holders, please add (Georgia or Policyholder) in front of State Mandated Benefits.

I have another suggestion. First of all, will these benefits be payable to Arkansas Certificate holders? If so, I will accept deleting "State" and using only Mandated Benefits.

The Benefits provided by this Rider will not duplicate the Benefits provided under the Certificate and any other Rider.

Term Life Insurance Benefit:

Upon receipt of proof of death of the Named Insured, We will pay to the Beneficiary the Term Life Insurance Benefit, shown below, for the Named Insured who dies while Coverage is in force under this Rider.

[\$5,000 - \$10,000]

[When We receive proof of a Dependent's death while the Dependent was covered by this Rider, We will pay to the Named Insured the Dependent's Term Life Insurance benefit shown below.]

In the event of a benefit payable due to the Named Insured's death, the Term Life benefit will be paid to the Named Insured's beneficiary. The beneficiary is the person the Named Insured designated in the enrollment form as the beneficiary, unless it was changed at a later date. If a beneficiary was not named or if the person named is not living at the Named Insured's death, any Term Life benefit due will be paid in this order to:

The Named Insured's Spouse or Domestic Partner; or children; or parents; or brothers and sisters; or estate. In the event of a benefit payable due to the death of a Spouse or Domestic Partner or Dependent Child, the Term Life benefit will be paid to the Named Insured, if living, otherwise to the estate of the insured Spouse or Domestic Partner or Dependent child.

If benefits are payable to a Covered Person's estate, We can pay benefits up to \$1,000 to someone related to the Covered Person by blood or marriage who We feel is fairly entitled to them. If We do this, We will have no additional responsibility for this payment because We made it in good faith.

Change of Beneficiary

The Named Insured can ask Us to change his beneficiary at any time. The Named Insured should notify Us, and We will send him the form to complete. The request must be witnessed by someone other than his present beneficiary or his proposed beneficiary and returned to Us at Our home office. The change must be approved by Us. If approved, it will go into effect the day he signed the request. The change will not have a bearing on any payment We make before We receive it.

Suicide Limitation

Death by suicide, while sane or insane (while sane in Missouri) is not covered if it occurs within 12 months from [the Named Insured's] [the Covered Person's] effective date. In such event, We will only refund premiums paid. At Our own expense, We have the right and opportunity to request an autopsy in case of death, where it is not prohibited by law, to determine whether the [Name Insured's] [Covered Person's] death was by or due to suicide.

Conversion Privilege

If a Named Insured's insurance, or a portion of it, terminates because the Named Insured is no longer in an eligible class, the Named Insured is entitled to have issued to him or her, without Evidence of Insurability, an individual policy of life insurance without disability or other supplementary benefits. Application for the individual policy and the first premium must be received by Us within 31 days from the insurance termination date.

The individual policy will be on any one of the forms then customarily issued by Us or Our designee at the age and for the amount applied for, except for term insurance. The converted amount cannot exceed the terminated amount, less the amount of any life insurance for which the Named Insured becomes eligible under the same or any other group policy within 31 days from the termination date. The premium will be at Our then customary rate for the policy form and benefit amount, to the class of risk to which the Name Insured then belongs, and to the Named Insured's attained age on the policy effective date.

If the Policy terminates or is amended to terminate a class, any Named Insured who was insured by the Policy for at least five years before the termination date will be entitled to the same conversion privilege described above. However, the converted amount cannot exceed the lesser of: (1) the terminated amount less the amount of any life insurance for which the Named Insured is or becomes eligible under a group policy issued by Us or another insurer within 31 days; or (2) \$10,000.

We will give notice to the Named Insured of the right to convert within 15 days prior to the date the insurance terminates. If the notice is not given within that time, the Named Insured has 15 days from the date of the notice to convert. But in no event can the Named Insured convert after 60 days have ended from the last day of the 31 day conversion period. Written notice may be delivered or mailed to the Insured by Us to the last known address of the Named Insured.

Death During Conversion Period

If the Named Insured dies during the 31 days allowed to convert insurance and before the conversion policy is issued, We will pay the amount of benefit the Named Insured could have converted minus the premium due for the conversion.

There are no other changes to the Certificate.
